In consideration of the covenants & promises herein contained, parties agree as follows:

1. Shipper agrees to pay hourly rate for total duration of hours moving; if at any point in the loading process shipper thinks time is going to exceed quoted estimate of time, movers will close doors of truck, at shipper's request, and simply go over and unload what is on truck. Shipper will then pay total duration of hours of moving.
2. Shipper shall review this prior to move: Any refrigerator or freezer must be empty, all boxes packed by shipper must be taped top & bottom, all desks & Armoires must be empty, all stereo components must be removed from cabinets & disconnected, leave only clothing in dresser & chest of drawers, remove all valuables & breakable items from any furniture. Everything must be boxed that can be.
3. Mover will disassemble and reassemble standard beds & mirrors. Movers will disconnect & reconnect washers & dryers.
4. If a flat Rate: (if hourly, A-F does not apply). A. Disassembly for ice makers, day, trundle, bunk, water, bridge, & crib beds, will have an additional charge. B. It is agreed that the quoted price guaranteed for only those items marked & inventoried by the Shipper & reviewed by the mover on arrival. C. If the shipper wishes to add on additional items after the quoted price there will be an additional charge. D. The parties agree that an additional charge will be required if the Mover must hoist or lift items over rails or balconies. E. If items are carried from or to any floors about the ground floor that are not included in the quoted price, this is an additional charge. F. If there is a walk over 75 ft. from the house etc. To the moving truck, there will be an additional charge.
5. Shipper agrees that any waiting time experienced by Mover due to shipper's actions or activities will cost the shipper the current hourly rate
6. Movers accept the responsibility for accidental damage that they caused of the shipper's property being moved. Movers not responsible for walking surfaces; nor are movers responsible for scratches/dings (alleged or otherwise) on appliances. Movers accept total responsibility for their well being. Unless additional insurance is noted on this contract & paid for, both parties hereby designated an insured value of 60c per pound non-repairable article, (up to \$5,000) with this being the only settlement for damage under this agreement. (Separate Company Protection Plan when move is over 100 miles.)
7. Both parties agree that mover is not responsible for damage to any good contained in boxes which mover did not pack. Mover is not responsible for wear/damage from normal use & movement (particularly on items made from particle or pressed wood), adjustment, consumable or expendable items, loss of revenue, damage from road hazards & accidents, mechanical or electrical items, acts of God but not limited to rain, wind, hail, or sun damage. Movers assume no liability for 'left behind' items once final walkthrough with customer is done, and they release movers to go.
8. Both parties agree that payment will be made in cash, credit card, or company checks of which all need to be made payable to John Horner & that the shipper is charged on quarter-hour increments of current hourly rate (5-15 min.; 16-30 min.; 46-60 min.)
9. Any damage claims must be made in writing no more than 48 hours after the date of the completion of the move.
10. Movers assume no liability for furniture/items loaded on trucks not owned by Always Helpful Movers. Signature _____
